

NATIONAL PLAN FOR TEACHING SWIMMING AWARDS

NATIONAL SWIM AWARDS

This range of awards has been designed to work in conjunction with the National Plan for Teaching Swimming. Currently there are 12 ASA National Swim Awards. For each award to be issued, the participant will be required to perform 8 of 10 designated skills, competently and with high reliability.

The first 10 badges are completed in AquakidZ, with levels 10-12 to be undertaken in a local competitive swimming club.
